

Windham School District**EEAF****SPECIAL USE OF SCHOOL BUSES**

School bus services may be used for student field trips and school activity purposes. However, such use must necessarily be limited. School buses must be used, first, for regular school transportation.

The administration will develop and the Board will approve specific regulations relating to the use of buses for field trip purposes. The Superintendent, will be granted authority to approve the use of school buses for specific trips. School Board approval is necessary for all out of state trips.
