**TEACHERS TEACHING THEIR OWN CHILDREN**

In the event that a parent of a child attending the same school is also a teacher, the Principal shall adjust teaching assignments in order to minimize the amount of time that the teacher spends during any school day instructing his/her child. Ideally, the amount of classroom time that a teacher spends instructing his/her own child will be eliminated completely. Recognizing that this will not always be possible, a goal of not more than one instructional period per day will be acceptable. Exceptions will be made based on extenuating circumstances. Such exceptions shall require the approval of the Board.
