

Windham School District	JICJ
-------------------------	------

UNAUTHORIZED COMMUNICATION DEVICES

Students may possess and use cellular telephones, pagers, or other electronic communications devices, subject to limitations of this and other policies of the district. Parental permission is required. The device may not be visible or used after arrival at school and until dismissal. Such devices shall not be used during instructional time or in the passing time between classes unless during an emergency, determined by the school.

Building principals may promulgate rules to enforce this policy at the building level.

Students violating the policy may be subject to disciplinary action.
