RECORDING DEVICES ON SCHOOL BUSES

In an effort to ensure student safety and maintain discipline, the Windham School District may cause video recording devices (hereinafter “recording devices”) on any or all buses used to provide transportation for District students. Use of video recordings (hereinafter “recordings”) made on buses shall be governed by the procedures established below.

NOTICE

Signs indicating that all actions taking place in the interior of a bus may be recorded shall be in a conspicuous location on all buses. In addition, notification that recording devices may be in operation on buses shall be placed in student handbooks.

STORAGE/MAINTENANCE OF RECORDINGS

All recordings are the property of the Windham School District and shall be maintained in accordance with federal and state law and this policy. After a recording has been made the recording will be retained at the transportation office of the District’s transportation carrier for a period of ten (10) school days. If no request by the District for a recording is made within ten (10) working days of recording, the recording shall be erased and reused. Recordings requested by an authorized District official (the superintendent, assistant superintendent, building principal, vice principal or the District’s transportation coordinator) will be provided to and be retained by the School District pursuant to this policy. Recordings provided to the District may be used in discipline of students and shall be retained by the District until the final resolution of any discipline, including the time for appeal. Recordings provided to the District not used for discipline will be erased and reused at the direction of the superintendent.

RIGHT TO REVIEW RECORDINGS

A request by an authorized district official to the District’s transportation carrier for a recording may be made after an incident or concern is reported by a bus driver, transportation company representative, school administrator or a parent or guardian whose child rides the route in question. Once a request for a recording is received by the District, only an authorized school official or transportation company official may review the recording. A parent or guardian of any student subject to discipline may request and be granted by the Superintendent the right to review a recording if the recording is to be used in a disciplinary proceeding. Only those portions of a recording relevant to the incident or concern may be reviewed and only those portions relevant to a discipline matter may be used in a disciplinary proceeding.
