### **BOARD-SUPERINTENDENT RELATIONSHIP**

The Board believes that policy-making is a primary function of the School Board and that the execution of those policies is the primary function of the Superintendent.

Delegation by the Board of its executive powers to the Superintendent provides freedom for the Superintendent to manage the schools within the Board's policies and frees the Board to devote its time to policy-making and appraisal functions.

The Superintendent is responsible for the administration of Board policies, the execution of Board decisions, the operation of school programs, for keeping the Board informed about school operations and issues.
