ADVISORY COMMITTEES TO THE BOARD

The Board may rely on advisory committees to conduct studies, identify problems, and develop recommendations. Decision making will continue to reside with the Board.

Topics for study shall be assigned in writing to each advisory committee. Each advisory committee shall be also informed on the length of time members are being asked to serve, the resources available, the time frame within which the Board expects advice and the relationship it has to the Board, Superintendent and the remainder of the staff.

The Board shall have sole power to dissolve any of its advisory committees at any time.

All appointments to advisory committees shall be made by the Board.

The School Board shall keep the public informed about the advisory committees and their major conclusions and recommendations.
