

Windham School District	BHA
--------------------------------	------------

USE OF SCHOOL DISTRICT NAME AND LOGO

District employees will protect and respect the name of the school district by refraining from the use of the name of the district, the names of individual schools and the use of school and district letterhead stationary for personal advantage or gain

Display of the Windham School District logo for each of the schools shall be authorized only for use on district facilities, vehicles, stationary, signs and other district property and materials. Permission to use the logo in any other manner shall be granted only by the superintendent.

The logos and School District name may not be used by an individual or group not affiliated directly with Windham School District unless approved by a majority vote of the Windham School Board at a regularly scheduled meeting.
