

AVAILABILITY, DISTRIBUTION AND EDUCATION SURROUNDING HEALTHY FOODS

The School District will support the availability and distribution of healthy foods and beverages in all school buildings during the school day.

The Superintendent or his/her designee is responsible for ensuring that all foods and beverages distributed within the district meet nutritional standards established by state and federal law relative to: (1) nutrient density; (2) portion size; and (3) nutrition targets, as defined in pertinent law.

The Superintendent or his/her designee is responsible for implementing developmentally appropriate opportunities for students to learn food preparation skills that support nationally recognized nutrition standards. The Superintendent or his/her designee is responsible for providing annual communication information about the policy and procedure and related curricula to the school community.
