

STAFF AND STUDENTS' ACCEPTABLE USE OF TECHNOLOGY

Staff and students shall be responsible for the appropriate use of technology and shall use the District's technological resources primarily for purposes related to education. Staff and students (parents/guardian) are hereby notified that there is no expectation of privacy on district computers, computer files, email, internet usage logs, and all electronic data.

The Superintendent shall establish administrative regulations and an Acceptable Use Agreement that outlines staff and student obligations and responsibilities related to use of District technology. He/she may also establish guidelines and limits on the use of technological resources. Inappropriate use may result in a cancellation of the staff member's or student's user privileges, disciplinary action, and/or legal action in accordance with law, Board policy, and administrative regulations.

The Superintendent or designee shall provide copies of related policies, regulations, and guidelines to all staff and students (parents/guardian.) Staff and students (parents/guardian) shall be required to acknowledge in writing that they have read and understood the District's Acceptable Use Agreement.
