EARNING OF CREDIT

Students can earn course credit by demonstrating mastery of the required coursework and material in accordance with Policy IKF, High School Graduation. Mastery is defined in accordance with Policy ILBAA, High School Competency Assessment as: sufficient evidence of attainment of the required content, concepts, and skills of a particular course. Student assessment of mastery is the responsibility of the building principal.

Credit will be awarded upon satisfactory demonstration and mastery of the required course competencies. Additionally, credit may also be awarded if a student is able to demonstrate learning experience in compliance with the district-specified curriculum and assessment standards. No partial credit will be awarded for courses that have not been completed.
