

Windham School District

JLCB

**IMMUNIZATIONS OF STUDENTS**

Any child being admitted to the District must present proof of meeting the physical examination and immunization requirements upon entrance. Failure to comply with this provision may result in exclusion from school for the child. Immunization record or evidence of laboratory immunity is sufficient proof. Students not in compliance must provide appointment date for remaining doses.

Principals will notify parents of this requirement at the earliest possible date, so that the necessary plans can be made with the family physician or other medical resources to accomplish this standard prior to a child being admitted to school.

A child shall be exempted from the above immunization requirements if he/she presents evidence from his/her physician that immunization will be detrimental to his/her health. A child shall be excused from immunization for religious reason, upon the signing of a notarized form by the parent or guardian stating that the child has not been immunized because of religious beliefs.
